POTENTIAL RAIL CONNECTION ON SITE

THINK BIG THINK LINK

Link Logistics Park is a prime multi-modal development offering a smart connection between transport power and people.

LINK 674: 674,264 SQ FT

Set within an established industrial location, Link 674 offers 5MVA of power and potential direct rail freight connection for businesses to scale up and energise their operations.

With access to a strong local workforce and major transportation links, Link 674 is built to a best-in-class specification at the heart of the region's distribution market.

Plugged into key transport networks, the scheme provides excellent access to the Port of Liverpool, the Manchester shipping canal, North West motorways, and nearby airports, bridging connections and boosting opportunities on both a national and international level.

SUSTAINABLE DESIGN

OPTIMISING THE USE OF NATURAL LIGHT Our triple skinned factory assembled roof light solution can save up to 13% a year on running costs.

COST-EFFECTIVE We use high-quality materials and sustainable initiatives to add value and bottom-line savings through reduced operating costs.

RECYCLED & RECYCLABLE MATERIALS Our initiatives contribute to a greener world and offer distinct advantages to our customers and communities.

Many of our customers require their warehouse buildings to demonstrate excellent environmental performance.

Firethorn Trust is now recognised across the world for delivering industry-leading warehouse buildings that continuously exceed our original environmental aspirations, while supporting our customers' business operations in many effective ways.

EXCEEDING REQUIREMENTS Firethorn Trust is a pioneer in environmentally sustainable 'eco-warehouse' development, setting the industry standard.

MONITORING ENERGY USAGE
Our online energy dashboard can help customers proactively manage their energy consumption.

BREEAM®

RATING: EXCELLENT

REDUCING WATER USAGE
Rainwater harvesting for use in toilet flushing and other non-potable applications.

ENHANCED BUILD SPECIFICATION

Link 674 features the enhanced Firethorn Trust 'standard' specification which includes an ultra-modern treatment to the design of the primary office elevation together with a range of cutting-edge enhancements throughout the welfare facilities.

LINKED IN

Link 674 benefits from a strong local labour supply across the region, with access to a working population of over 207,000, of which 9,100 are economically inactive and looking for employment.
